Policy 2025-04 Election Judge Parity Reporting

Pursuant to Election Law Article §10-201, the Election Director shall assign election judges to achieve parity to the extent practicable at each polling place. In order to assist in the recruitment of election judges, the Election Director shall provide a vacancy report monthly to their local board of elections members beginning in February 2026. The vacancy report should be a statistical report which includes the polling place and party breakdown by election judge type.
