Memorandum

TO: State Board Members

FROM: Allen Norfleet, Director
Division Candidacy and Campaign Finance

SUBJECT: Administrative Closure of Campaign Accounts

DATE: January 22, 2026

Pursuant to §13-313 of the Election Law Article, the State Board has the authority to administratively close a political committee upon determination that good cause exists and when other criteria are met:

1. The campaign finance entity could be terminated under §13-309 (b) (4) of this subtitle except for the existence of one or more outstanding obligations and each of those obligations is more than 5 years old;
2. No responsible officer currently is appointed and serving; or
3. Other extenuating circumstances exist to justify terminating the campaign finance entity.

(b.) The termination of a campaign finance entity under this section does not limit the right of:

- (1) The State Board, or the State Prosecutor or the State's Attorney, to pursue an enforcement action against the former responsible officers of, or any candidate formerly affiliated with, the campaign finance entity; or
- (2) A creditor to bring an action against the former responsible officers of, or any candidate affiliated with, the campaign finance entity

Attached are forms, which have been prepared for the Board's review of accounts that meet the requirements for administrative closure.

If you have any questions, please do not hesitate to contact me at 410-269-2856.

Re: 26-0042-E-FTF Baltimore County Victory Slate

Dear Mr. Norfleet,

The above-mentioned campaign finance committee has been referred to this office for failure to file the 2025 Annual report which was due on January 15, 2025. As you know, an investigation conducted by this office revealed that the former treasurer, William McCollum, embezzled funds from this account over the course of several years. He was indicted for his ongoing theft scheme and plead guilty.

Therefore, we will not pursue enforcement action for the late filing of this report or future reports, absent new evidence that the committee has chosen to inaccurately report current contributions or expenditures.

We consider this matter closed. Please feel free to contact this office if you have any further questions.

Sincerely,

Brittany J. Dunklow

Hi Aaron,

The State Prosecutor's office says McCollum paid \$27,471.04 to the State as restitution per a document I found dated 2/3/2023.

Please let me know if you need anything else.

Allen
