Memorandum

TO: State Board Members

FROM: Allen Norfleet, Director
Division of Candidacy and Campaign Finance

DATE: February 19, 2026

SUBJECT: Title 13 Waiver of late filing fees standards

Enclosed are the waiver requests, which were submitted by campaign committees that have been assessed late filing fees. The attached Waiver Request Information Page contains an overview of each committee as well as the Administrator's recommendation for Board approval on granting a waiver request.

In the past the Board has considered the following facts in determining whether just cause exists to grant a waiver.

- ☐ Administrative error of any kind on the part of the Division.
- ☐ The lateness is due to extenuating circumstances, i.e. physical illness or death in the family.
- ☐ The late report is the first late report and allows the committee to close, or contains minimal financial activity.
- ☐ The fee will cause undue financial hardship, if the liability of the fine is the personal responsibility of the officers.
- ☐ Computer problems occurred which made timely filing impossible. However, the filer still must have demonstrated a good faith effort to timely file.

Prior to the meeting please review each waiver request. Note the recommendations that you may disagree with or have questions on that you would like to discuss.

Pursuant to Election Law Article §13-337 (b) (3), the State Administrator has denied three waiver request. No Board action is required on the denials. As of February 13, 2026 SBE has collected \$14,210.00 in late fees year to date. SBE collected \$9,857.00 for the month of February in late fees.

Please feel free to contact me at 410-269-2856 if you have any questions.
