Memorandum

TO: State Board Members

FROM: Allen Norfleet, Director
Division of Candidacy and Campaign Finance

DATE: February 19, 2026

SUBJECT: Waiver of late filing fees – Persons Doing Public Business, Title 14 of the Election Law Article

Enclosed are the waiver requests, which were submitted by businesses that have been assessed late filing fees. The attached Waiver Request Information Page contains an overview of each entity as well as the Agency's recommendation to the Board.

The Board should consider the following factors in determining whether just cause exists to grant a waiver.

1. Administrative error of any kind on the part of the Division.
2. The lateness is due to extenuating circumstances, i.e. physical illness or death in the family; or
3. Computer problems occurred which made timely filing impossible. However, the filer still must have demonstrated a good faith effort to timely file.

Prior to the meeting please review each waiver request. Note the recommendations that you may disagree with or have questions on that you would like to discuss.

§ 14-107(c) Late Filing Fees

- (1) As provided in this subsection, the State Board may impose fees for late filing of:
 - (i) a statement required under § 14-104 of this title; or
 - (ii) an amended statement required under subsection (b) of this section.
- (2) The State Board may impose late filing fees in the same amounts and in the same manner as provided under § 13-331(a) and (b) of this article for late filing of campaign finance reports.
- (3) Late filing fees imposed under this subsection shall be distributed to the

Fair Campaign Financing Fund.

Pursuant to COMAR 33.20.07.01C, the State Administrator has denied six late fee waiver request. No Board action is required on the denial
