dl_regcomments_SBE@maryland.gov

From: Celeste Landry, State Audit Working Group member and canvass board member and election-audit observer in Colorado for RLAs of, respectively, plurality and instant-runoff voting elections

Date: March 9, 2026

I would like to support the attached comments jointly submitted by Burke, McBurnett and Singer. However, I found a few typos in the comments and would like to alert you to them.

Page 1: In the Table of Contents the line under "Subtitle 07 ELECTION DAY ACTIVITIES" reads "Canvassing Chapter 05 ..." but should read "Subtitle 08 CANVASSING Chapter 05 ..." And, similarly, for the "Canvassing Chapter 05 ..." text on page 5 of the comments.

Page 2: Big Issues, 1. refers to MD Election Law §9-102, but it should be §11-309.

Page 3: "suggested language is in 33.08.05.09 G 2 on pages 15-16" should be changed to "suggested language ... on page 15"

Page 4: 3. "(See 33.08.05.09 H on p.16.)" should read "(See 33.08.05.09 H on pages 15-16.)"

Page 7: .06 A. "Prior to any tabulation audit (Automatic or RLA)" should read "Prior to any tabulation audit (Automated Software or RLA)"

Regarding Subtitle 08 CANVASSING Chapter 05, .09 Post-Election Audit, A. In General, (3) Timing of Audit, I wonder why Maryland would conduct a state RLA no LATER than 17 days after election day and a (local?) RLA no SOONER than 21 days after election day. Why not do them at the same time and leverage efficiencies?

Thank you for taking comments on the proposed changes to existing regulations.
